

# Visit IPM at MINExpo 2021 in Las Vegas

## About In-Place Machining Company

*In-Place Machining Company designs and develops specialized machine tool systems, and provides precision on-site machining and measurement services to a wide range of industries including Mining, Material Processing & Cement, Nuclear, Fossil, Hydro and Wind Power Generation, Steel & Aluminum Production, Marine, Pulp & Paper Manufacturing, Petrochemical, Infrastructure, General Manufacturing, and Scientific and Military customers. With over 200 employees in multiple locations, and perhaps the largest inventory of dedicated on-site machining systems in the country, In-Place Machining Company is ready to serve you In-Place... Any Place in the World.*

## Visit Us at Booth #24815-S, Sept. 13-15

In-Place Machining Company invites you to visit us at **Booth #24815-S** during MINExpo 2021 at the Las Vegas Convention Center. MINExpo covers the entire industry – exploration, mine development, open pit & more! Find products & solutions that will take your mining operations to the next level. This 3-day in-person event is the world's largest mining show with over 1000 mining exhibitors.

*On-Site Machining at Chile Mine*

At IPM we focus on providing the best and most comprehensive on-site field machining, diamond wire cutting, welding, and alignment services for the **Mining & Material Processing** industries. With multiple locations and a huge inventory of precision **Onsite Machining** equipment and metrology instrumentation, IPM can support all of your on-site machining needs including, but not limited to:

*Machine Center Pin on Dragline*

- Dragline and Shovel Repair Including Slew Bearing Seats and Car Body Repairs
- On-Site Machining for Material Processing
- Tire and Thrust Roller Machining and Grinding
- Crusher, Pulverizer, Kiln Bearing Journals

Ready to go anywhere at a moments notice, our over 200 dedicated full-time employees are experts in their respective fields, and are armed with the latest mechanical, electrical, software engineering, and machining skills and experiences.

*Iron Mine Pelletizing Kiln Journal Refurbishment*

We look forward to seeing you in Las Vegas at our **Booth #24815-S** so we can discuss how In-Place Machining Company can meet your project needs. Please also **Visit Us at [inplace.com](http://inplace.com)** to learn more about our company and the services we provide, or feel free to **Contact Us** at any time or **Call Us at 414.562.2000**.
